2024-2025 TUITION SCHEDULE

Tuition is based on the academic year. Payment Plans are provided for your convenience only. When you enroll your child for the academic year program, you automatically enroll for the entire year and are responsible for the year's tuition. The school cannot function in any other way and plan for your child. Tuition is not refundable for absence of the child from school for trips, illness, withdrawal, dismissal from the school, or any other reason.

If, with prior permission of the school, the child is enrolled for one semester only, financial responsibility is assumed for the entire semester. For students entering after August 1st, financial responsibility is assumed for the remainder of the year, with tuition calculated on the academic year basis, to the nearest month.
